Fit for you amuseplanet Character creation with care

The meaning of "character" is "personality".

You can have a cute character on the outside,

But if it doesn't have substance, it won't become your favorite.

That's why we are very particular about the content of our characters.

What kind of character are you looking for?

At amuseplanet, we create characters that are close to you.

New characters

Do you want to stick to that?

It is very difficult to create a new character from scratch. You don't even know if the character you spent time and money to create will match your ideal. Instead of taking such a risk, Why don't you use the characters you already have?

amuseplanet's characters are 100% original. If you have existing materials, we can provide them immediately. You only pay for what you use. You can save a lot of time and money.

what shall we play today?

たまごふれいす t a m a g o p l a y c e

I wanted to play with everyone.

In a hurry, a mysterious animal jumped out of the egg
and stayed in the shell.

Even though they look different and have different
personalities, they all love to have fun together.

The Repairman of the
Glittering Night Sky

★ 星空メモリーズ ★

★ *Starry, Sky Memories* ★

Our job is to protect the stars.
The older we get,
the more the star gets damaged.
Eventually, they break down.
Our job is to repair the stars.
The night sky is full of stars.
Let's make them brighter and brighter.

Funny Monsters A Strange Day

Franken, who lives in an old western-style house, is very scared.
He is even afraid of his own face, so he hides it in a paper bag.
The residents of the house are all lacking in some way.

Is everyone really okay?

I'd like to go. across the ocean!

Riku and Sora playing by the sea.
I wonder what lies beyond the sea.
I think about this as
I look out at the ocean today.
Such things, such things.
I'm so excited and nervous!

The five best friends are always in good spirits.
When they find something they are interested in,
When they find something they are interested in,
they flap their wings in that direction or trot in that direction.
Today, they flew, walked, and pecked together.
Now they want to be pampered a lot.

 Can I sit next to you?

Can't find a good character?

共同開発コンテンツです。

If so, how about joint development & joint use?

The most expensive part of creating a character is buying the copyrights.

If you are willing to share your characters with amuseplanet, you can greatly reduce your costs. You can use the characters as much as you want. Of course, you can use the characters as much as you want.

We will add them to our lineup of licensed businesses. If the character you created
If a licensing business contract is concluded for the characters you create

We will also pay you as a co-developer.

This is a new way to use characters.
amuseplanet proposes a new way to utilize characters.

* The actual cost of adding poses to the characters will be charged.
!* f the purpose is to sell goods, a separate license agreement may be required.

With amuseplanet You can do this much

The creators of amuseplanet come from a wide variety of genres.
You can do a variety of things with your colleagues.
So we can fit your wishes.

Various designs

- Goods & package design
- Flyers / posters / in-car advertising
- Catalog Design

Our designs are not limited to characters. We can also propose designs for a variety of goods, including package layouts. Catalogs, flyers, and posters for in-car advertisements are also areas in which we excel. Of course, the catalog you are looking at right now was designed by us.

We also believe that the data we create should be easy to use. That's why almost all of the data we handle is vector data. You can zoom in and out as you like. Naturally, we use Adobe® Illustrator® CC software. We provide the best way to develop products.

- Logo Design

One of the most important elements of character content is to create a logo that matches the image. We can also create a brand logo for your company with the image in mind. After the logo is created, we can use

- Accessory Design

Since the concept of each character is well-defined, it is possible to develop a brand of accessories that makes the most of each character's world view. We can also create original parts to create a variety of items.

Overseas

English / Chinese

We have members who can speak English and Chinese, so we are actively working on overseas transactions. In fact,

Perspectives on

Professional Advisors

Current childcare professionals are also our members and creators. Because they are professionals in childcare
We are able to give accurate advice without being subjective.

Obsession with words

- High School Teacher's Certificate (Japanese)
- Junior High School Teacher's Certificate (Japanese)

We are good at giving shape to what you are looking for from Japanese words. Our team members are skilled in handling words, so they can grasp images that are difficult to form and use them in their work.

MOVIE

- Shooting and editing videos
- Signage Content

museplanet's videos are made with the help of our members. We also provide content design for company brochures, YouTube videos, and digital signage.

Not just this!

Cooperation with partner companies

- BGM / Fragrance
- IT/Network/AI
- Signage Equipment
- Security Camera

We also offer background music, fragrances, IT equipment, network construction, and even security cameras, signage equipment, and AI. Through our partner companies, we are able to provide further proposals beyond the scope of creators.

We would love to talk to you!

amuseplanet places the greatest emphasis on conversations with you.

Because new ideas and new business

New ideas and new business come from conversations.

Conversations are time-consuming.

But if you cut corners, nothing good will come out of it.

That's what we know at amuseplanet.

What we can't do on our own, we can do with you.

So let's talk.

What is it that you want to do?

Thank you!

Logo of amuseplanet

The bonbons on the clown hat represent "fixed stars".
The bonbon on the clown hat represents "fixed stars",
the face of the clown represents "planets",
and the hat represents "planetary trajectories".

The planet "amuseplanet"
does not just revolve around a star.
The planet "amuseplanet"
does not just revolve around a "fixed star".
The planet "amuseplanet" is
not just orbiting around a "fixed star",
it is trying to fly out to a new world.

I expressed our attitude in the fun image of "clown".
